

Two-Day programme on "Refresher Course in Statistical Methods in Behavioral Research"

It is proposed to conduct a two-day Intensive Workshop in Statistical Methodology useful to behavioral researchers and postgraduates on 17th & 18th of August 2009. The number of participants for the programme will be restricted to about 50 and will be on a first come first serve basis. A course fee of Rs.2000/- will be charged (Rs.1000 for NIMHANS students). The Programme will consist of didactic lectures and practical sessions. It is proposed to give the participants hand-outs on the topics being covered. The topics being covered are – Scientific Method and Research, Basic Statistical Methodology, Statistical Principles in Research Designs, Introduction to Multivariate procedures. The programme will start at 9.00 a.m. on both days and will go on till 5.30 p.m. Those interested may contact the following persons –

Dr. D.K. Subbakrishna
Professor & Head, Dept. of Biostatistics, NIMHANS
(Tel: 26995116; 26995120)
e-mail: drsubbakrishna50@yahoo.com

Dr. P. Marimuthu
Asst. Professor, Dept. of Biostatistics, NIMHANS
(Tel: 26995115); e-mail: p_marimuthu@hotmail.com

The payment may be made by Demand Draft in the name of
'NIMHANS, Bangalore'.

(Dr. D.K. SUBBAKRISHANA)
